TIMELESS MENU

*What makes something timeless? It isn't just one thing.
It's a moment, an object, a feeling that just sticks with you.*

*For this selection of drinks, we chose five icons.
From the grit of the Moon Landing to the elegance of a Tuxedo –
these represent something that endures.*

*You'll find a mix of experimental ideas and those classic,
structured styles we all love. It's our way of honouring where
these stories came from while having some fun
with where they're going.*
